O. F. H. 29th May, 1875.

Dear Mr. Sanson.

Is your daguerrotype the same as the one Miss Henrietta Sargent had? If so, Mr Hawes, photographer, 19 Tremont Row, opposite Bromfield Street, has the machinery (negatives &c) by which he can furnish you such a copy. If

Conjure in the Name
of Conell, he may
perhaps, present it.
Let this note be
your introduction to
him, from me, &
please to say he will
oblige me by so doing;
& that I entreat
him to cast the
figure into an upright
attitude, — as look-
ing Straight forward,

into Futurity.

With Kind
regards to all your
household

I am

dear Mr Farrow

Yours truly
